Courses in **bold**, when taken at the UA, are used to calculate your Advanced Standing (AS) GPA. Minimum AS GPA of 2.500 and least 12 units of UA coursework in bold needed to be eligible for AS.

*MATH122A/B is a 5-unit version of MATH125. Enrollment in MATH 122A/B or 125 is dependent on MATH placement scores.

** General education courses must meet University general education requirements including the Diversity requirement. Consult your advisement report for more details.

***Students may also take ECE 220 (5 units)

§See list of approved Technical Elective courses on AME website. At least 9 units must be taken in AME (exclusive of independent study, which can at most total 3 units). Courses with "F" and "S" superscripts denote courses taught only in the fall- and spring- semesters respectively.
